

TARASAFE ULTRA COMFORT is a slip resistant floorcovering constructed from vinyl with deeply inlaid carborundum particles with a closed cell foam backing (**sound insulation: 16 dB**) and reinforced with a glassfibre grid.

TARASAFE ULTRA COMFORT is treated with the **Sparclean** surface treatment for extreme resistance to soiling and staining and with **Sanosol**, an antibacterial and fungicidal treatment.

TARASAFE ULTRA COMFORT is suitable for use in all areas of heavy traffic where slip-resistance, durability, cleanliness and hygiene are required.
